

# Diamond-I

Gorgeous two story home design, the Diamond-I has upgraded features throughout that come standard. This open concept floor plan features a spacious kitchen with large center island that opens to nook, exceptional great room, and generous covered patio. The primary bedroom suite creates a quiet oasis for rest and relaxation and is completed by a primary bath that boasts a dual-sink vanity, a glass-enclosed shower, and a private water closet. Additional features include a versatile second-floor loft, spacious secondary bedrooms, and centrally located laundry.
