

# Diamond - II

The Diamond-II, a beautiful two story home design, comes with a variety of upgraded features as standard. This open concept floor plan features a spacious kitchen with large center island that opens to nook and an amazing great room. The primary bedroom suite is a tranquil retreat, completed with a dual-sink vanity, a glass-enclosed shower, and a private water closet in the primary bath. Other features include a versatile second-floor loft, sizable secondary bedrooms, and an end to end covered patio.
